SUSAN Y. SOONG
CLERK, U.S. DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

UNITED STATES DISTRICT COURT
 NORTHERN DISTRICT OF CALIFORNIA

ZEROCLICK, LLC,
 Plaintiff,

v.

APPLE INC.,
 Defendant.

Case No. 15-cv-04417-JST

SCHEDULING ORDER

The Court hereby sets the following case deadlines pursuant to Federal Rule of Civil Procedure 16 and Civil Local Rule 16-10:

Event	Deadline
Claim construction discovery cut-off	6/13/16
Claim construction opening brief	6/27/16
Claim construction responsive brief	7/11/16
Claim construction reply brief	7/18/16
Tutorial	7/26/16 at 2:00 p.m.
Claim construction hearing	8/9/16 at 1:30 p.m.
Deadline to Amend Pleadings	56 days after issuance of claim construction order
Deadline to Complete Fact Discovery	84 days after issuance of claim construction order

1 Counsel may not modify these dates without leave of court. The parties shall comply with
2 the Court's standing orders, which are available at cand.uscourts.gov/jstorders.

3 Following the Court's issuance of a claim construction order, the Court will schedule a
4 case management conference for the purpose of setting the remaining deadlines in the case.

5 The parties shall meet and confer regarding the format, scope, and content of both the
6 tutorial and the claim construction hearing, including but not limited to the permissible subjects of
7 discussion at each, whether experts will testify, and what audio-visual equipment, if any, will be
8 needed by the parties. They also shall exchange copies of any audio-visual material at least **ten**
9 **court days** before they intend to use it in court, and shall bring any disputes regarding the format,
10 scope, or content of any tutorial or hearing to the Court's attention at least **five court days** before
11 the tutorial or hearing. The Court will deem as waived any objection raised less than five court
12 days before the tutorial or hearing. The parties shall lodge hard copies of their presentation
13 materials with the Court on the day of the tutorial or claim construction hearing.

14 The Court will reserve no more than two hours on its calendar for the tutorial, including a
15 brief recess. The tutorial will not be reported by a court reporter.

16 At claim construction, the Court will construe only the terms the parties identify in their
17 Joint Claim Construction and Prehearing Statement as "most significant to the resolution of the
18 case up to a maximum of 10." Patent Local Rule 4-3(c). The Court will reserve no more than on
19 two-and-a-half hours its calendar for the claim construction hearing, including a brief recess. The
20 Court prefers that the parties proceed term-by-term, with each party providing its views on each
21 term before moving on to the next. The Court's use of time limits means that the parties may not
22 have the opportunity to present oral argument on every term they have submitted for construction,
23 and the parties should prioritize their presentations accordingly.

24 The parties must take all necessary steps to conduct discovery, compel discovery, hire
25 counsel, retain experts, and manage their calendars so that they can complete discovery in a timely

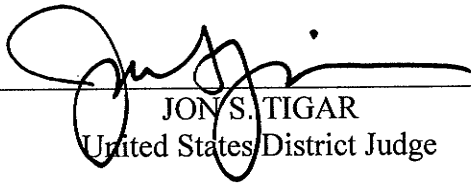

26 ///

27 ///

28 ///

manner and appear on the noticed and scheduled dates. All counsel must arrange their calendars to accommodate these dates, or arrange to substitute or associate in counsel who can.

Dated: 1/13/16

JON S. TIGAR
United States District Judge

United States District Court
Northern District of California
